---

### Section 3: ONLY APPLICABLE FOR INTERNSHIPS

Submit this form along with a cover letter stating why you would like to intern at the Appalachian District Health Department, a resume, and 3 reference letters (at least one of which must be a faculty member from whom you have taken a class).

---

Be aware, students are advised to complete the above criteria and turn in to the Appalachian District Health Department as soon as possible. Submitting this form with the required above mentioned documents is the first step being considered in this organization. Only a few internship positions are available each semester and the interview process is highly competitive. This process is extensive as we allow many students to interview. Make sure you allow enough time for your interest form to be reviewed, completion of the interview application and a scheduled interview upon request of the organization.
